## Meet the PCSO Team

### Lesley Rogers

I have been a PCSO for eighteen months based in the Bradwell and Stantonbury area. I was previously a Travel Agent for 15 years and during that time brought up three children. I wanted a change of career, and as the children were older, when I saw this job advertised I thought, 'I could do that!'

I am a people person and very much enjoy meeting people. I am thoroughly enjoying the role I have as your PCSO in the community.

### Richard Bolt

Hello, my name is Richard. I have been a PCSO within the North Neighbourhood Policing team for 11 years, providing a uniformed presence in the parishes of Stantonbury and Bradwell. I am originally from Herts

and moved to MK in 1988. Whilst I have seen MK expand and grow commercially, it has never lost its ability to welcome and indeed, embrace new arrivals regardless of race or religion, making for a rich, multi-cultured and diverse community, which I am proud to serve.

PCSOs serve the community by focusing on understanding and identifying local priorities, solving local problems, tackling low-level crime and engaging with the people who live and work there. Our presence means that we are often best placed to work with those who either conduct or are affected by anti-social behaviour and disorder. So, when you see us out on patrol, please come over and say hello, we cannot serve effectively without your support.

### Jordan Kay

I have been the Neighbourhood Supervisor for the Bradwell and Stantonbury Parish Neighbourhood Policing Team since April 2018. I love getting out and about on patrol, especially on my bike when the weather is nice. I'm always glad when people stop me for a chat whilst I'm patrolling, it's the best way to engage with the community and help resolve issues.

## Grassroots Action

Grassroots Action is an international development charity which has been based in this parish at the City Discovery Centre, Bradwell Abbey, since 2002.

The charity aims to empower ordinary people in low income countries to build a better future for themselves. It does this through partnerships with local organisations at the grassroots level. It strives for a world in which everyone has access to the education, information and means to live full and productive lives.

The charity was founded in 1990 under the name of *Powerful Information* and was rebranded in 2018 as *Grassroots Action*. It has five local trustees and an executive officer in Milton Keynes.

Current projects include women's learning circles in Sierra Leone, working with organisations for the blind in Zimbabwe and Sierra Leone, and with a farmers' association in Ghana to address the misuse of pesticides.

Further information can be found at [www.grassroots-action.org](http://www.grassroots-action.org) or by contacting Jill Chinn, Executive Officer. Reg Charity No 1091516

## Bradwell Women's Institute

You may hear Women's Institute (WI) and think Jam and Jerusalem but that's not exactly true of our Institute in Bradwell. We have been around since 1945. We meet on the third Tuesday of every month in the Bradwell Sports & Social Club from 2:00pm. All ladies are welcome to join us.

Last year we went to the Chiltern brewery and heard an interesting talk on the history of Afternoon Tea.

So far this year we have had a fish & chip lunch and some great speakers at our monthly meetings. Later in the year we are planning a trip to Jordans Mill and a tour of Claydon House.

The WI was formed in 1915 to revitalise rural communities and encourage women to become more involved in producing food during WW1. The first meeting was held in Llanfairpwll in Anglesey on 16 September 1915. The WI is now the largest voluntary women's organisation in the UK. We celebrated our centenary in 2015 and currently have almost 220,000 members in approximately 6,300 WI's around the UK.

## St Lawrence Church

On the Wednesday morning before Easter we had lots of fun in the church creating Easter gardens and other crafts. The children went on a search outside for things that they could place in their garden. They all worked well together, with lots of laughs as well as talking about the real meaning of Easter. We ended our morning by decorating hard-boiled eggs and then ventured over to Castle Hill to roll our eggs down the hill. They all got very competitive at wanting to win the egg race!! If I'm honest not very many eggs survived their rolling journey!!

**JAM Club** regularly meets on Friday evenings at the church for 8-12 year olds. Activities include stories, music and games. For more details contact Paul or Rebecca on 07976182925.

# Parish Grants

Did you know that local groups can apply for a grant from their Parish Council?

## YMCA

A parish grant was awarded to the YMCA to go towards furnishing a room. Approximately eight young people will come from our parish at any one time.

In September the new YMCA will open. It will have 199 rooms, a café, a nursery, various meeting spaces and will be a community hub for the young people of Milton Keynes.

Recently the Parish Office staff had the opportunity to visit the YMCA building site to see what they are building for our local young people. Can you spot us?

# Sports Round-Up

## Heelands Rangers FC

Some of you may have heard of Heelands Rangers FC as the club has been part of Heelands for many years. We are a charity organisation and run a football club from Heelands Pavilion. We have teams for U7 through to U15.

The club was originally started by Lewis Elford for girls only. We now run mixed teams. In the coming season we are introducing a men's team.

There are many ways of getting involved with us, from your child playing, joining the men's team, offering help with various projects or coaching (we can provide you with opportunity and training).

All our coaches and staff are volunteers and are fully CRC checked. We endeavour to provide a safe and enjoyable environment for all involved.

## Old Bradwell Tennis Club

The Tennis Club is spreading its wings. On the 29 March we held a Fun Quiz at the Bradwell Sports & Social Club – it was a sell-out and a great time was had by all. It was so good that another one is planned for Friday 20 September. This time the tickets will be limited, so make a note on your calendars. Tickets will probably be available towards the end of August.

Tennis Coach, Andrei Wiltshire, is available for sessions. He teaches any age,

either one to one or in small groups. For more information, please contact the Secretary on 01908 311917.

Tennis is a social sport and enjoyment is our club's priority. We would welcome new members.

## 1914-1918 WAR MEMORIALS

Last November, commemorating the 100<sup>th</sup> anniversary of the end of WW1, Bradwell Parish Council remembered the valiant young men of this parish who tragically gave their lives in service to their country.

Unusually, the men from Bradwell Parish who fell in the war are commemorated on two separate war memorials. This occurred because until 1919/20 Bradwell Parish stretched from what is now Stonebridge roundabout, to Saxon Gate in CMK. Almost 90% of the population of around 4,000 lived in New Bradwell, which had been progressively developed by The London & North Western Railway Co. since 1858 to provide housing for their employees. In 1919/20 New Bradwell was transferred to Wolverton Urban District Council (WUDC) which meant it was no longer part of Bradwell Parish. WUDC was abolished and subsumed into Milton Keynes in 1974. New Bradwell gained its own parish council in 2001.

In 1918, the old parish council feared the district would not have the resources to erect a war memorial to honour the dead. Alderman Robert Wylie, who, as a farmer and lime merchant, was one of the wealthiest residents of the then parish, agreed to finance a war memorial himself. Mr Wylie died in 1919 before his memorial was dedicated, but his family erected it in New Bradwell Cemetery, off Wolverton Road opposite Oakridge Park, where it still stands in memory of the 87 men of the then parish who were killed overseas in World War 1. Unfortunately, this memorial is now in poor condition, and under the present boundaries, New Bradwell Cemetery is in Stantonbury Parish.

Bradwell Memorial Hall followed soon after. It was erected on glebe land in Vicarage Road, Bradwell Village, and is now the war memorial for Bradwell Parish under its present boundaries. In recent years, Bradwell Parish Council has awarded generous grants for the refurbishment of both the Hall itself and its memorial gates. Eleven of the men who died overseas in World War 1 are recorded as originating from the post 1920 boundaries of Bradwell Parish. The plaque on the left-hand side of the Memorial Hall doors records their names.

## Heelands Meeting Place

Did you know you can hire the hall? We currently have the following time slot available for hire Monday to Friday between 5.00pm – 6.30pm.

There are several groups that meet on a regular basis at the hall. The hall is available for children's and adults' parties at the weekend. Prices start from £15 per hour.

## Bradwell Memorial Hall

The Hall is an important resource for the local community. It is available for hire for social functions and houses many regular bookings on weekday evenings.

The Hall is an independent, not for profit charitable trust. It is looked after by local people giving their time voluntarily to act as Trustees.

Some of the regular users include dance groups, Martial Arts and children's groups.

It is a great venue for various social

functions with a well-equipped kitchen. The Hall is licensed.

The trustees organise events such as the Spring Fayre and Christmas Bazaar – which bring people from the community together and helps to raise funds for the Hall.

We are currently looking for more local residents to become Trustees. So if you have some good ideas and want to make a difference in the community please let us know.

## Winchester Coach Trip

Bradwell Parish Council are delighted to announce their first coach trip. We have chosen to visit Winchester Christmas Market on Wednesday 27 November. The coach will pick up in front of Bellfounder House, Walgrave Drive, Bradwell, at 7.50am, leaving promptly at 8.00am. We will depart from Winchester at 3.50pm. The coach is a luxury 53 seater with a toilet!

On this occasion the trip is adult only. The cost per person is only £5, but there is limited availability so it is first come, first served!

Winchester Cathedral Christmas Market, started in 2006 and is recognised as one of the best in Europe and loved for its unique location nestled between the iconic cathedral and the Winter ice rink, the market includes over 100 chalet-stalls. Next to the market, the high street boasts a variety of places to eat and drink.

Winchester Cathedral is one of the finest medieval cathedrals in Europe. Standing

in the heart of historic Winchester, once the seat of Anglo-Saxon and Norman royal power, this magnificent Cathedral is the resting place of Saxon royalty, bishops and Jane Austen, the much-loved novelist.

We look forward to seeing you on the day and would welcome suggestions for future coach trips.

Twinkle Tots held their Open Day on the 24 May. It gave prospective parents and children the opportunity to come into a session and experience first-hand what is offered and to meet the staff and committee. The children thoroughly enjoyed participating in all the great activities and went away happy with a goody bag.

Twinkle Tots were overwhelmed with the number of new families they met on the day. They were very excited to be able to welcome so many new faces into the setting. Spaces are filling up quickly and they have a waiting list in operation, so it is never too early to register your child!
