

Notes

1. This drawing is to be read in conjunction with all the relevant contract documentation.
2. All dimensions are in mm unless otherwise stated. Dimensions to be checked on site prior to construction and any discrepancies reported to the Rolton Group Engineer.
3. Only drawings that indicate CONSTRUCTION as the issue purpose should be used for construction.
4. Any CONSTRUCTION status issue does not provide or imply approval or validation of any third party information.
5. Revision clouds are shown for assistance only, the whole drawing is to be checked for new/ amended information.
6. Not all hatches and linetypes shown on legends and keys may be present on this drawing. Drawings to be printed in colour by default, typical material colours are for clarity only.
7. All services are new unless stated otherwise.
8. All hot water outlets shall be provided with TMV mixing valves.
9. Isolation valves to be provided on all final branches and each major branch.
10. All water services outlets to be fitted with long level ball isolation valves within 300mm of connection.
11. All water fittings and equipment shall be WRAS approved or equivalent.
12. HWS return pipework not shown for clarity. Contractor shall allow for return pipework. Return connections shall be located as close as possible to final outlet positions and no more than 1.0m away.
