FC222/26 Parking along Langcliffe Drive:

This had been discussed with members of the public present, under that item (FC219/26), and to summarise the Church had been going to some lengths to mitigate against bad parking along Langcliffe Drive, in particular by constructing 15 temporary bays which, funding dependant, would be tarmacked in the future. There would also be double yellow lines along that part of the road also, which would be implemented over coming months, possibly by Easter.

FC223/26 Heelands Meeting Place weekly social group:

Councillors noted this would be by invitation only and several safeguarding and governance measures would need to be implemented before the Parish Council could support this.
