FC149/25 Public participation: It was on the agenda for any resident of the parish to raise any issue, petition, question or concern. There was one member of the public present who raised the following matters:

- The access through the hedge at King George's Field for work to the Barn was no longer needed and the Clerk was requested to invoice accordingly for landscaping and hedge-repair work.
- The anti-social behaviour at the Children's facility which had been set up there had escalated and the Parish Council were requested to support the resident in seeking assistance from the Ombudsman for a discontinuance to the planning matter which had allowed the conversion of the property to the facility. The other option was a revocation which seemed an unlikely course of action to pursue.

Action: A motion was proposed to approve the Minutes as an accurate record of the proceedings of that Meeting, after a minor amendment had been made, to delete the part about the bus route being for access to surgeries as those present recalled their wish for the bus route to be in order to provide residents access to the city and shops in particular. Those who were not present at the meeting (2 Councillors) abstained from voting and the remainder voted in favour of adopting the Minutes as an accurate record. The Minutes were signed by the Chair for the Council's records.

FC151/25 Payments: As at 24 February, the bank balance of £50,377 and savings account balance of £15,162 were noted, and the monthly schedule of payments was approved. The Clerk drew to the Council's attention the high price of gas usage at the Heelands Meeting Place.
